

Saline Downtown Merchants Association Membership

Membership in the SDMA is an important part of doing business in Downtown Saline. The SDMA provides support for its members in many ways, from sharing information, to maintaining an organizational presence on the internet, to producing events and activities that draw people to the Downtown business district throughout the year. These many activities depend on member support. Your annual membership dues and contributions allow the SDMA to continue to help grow and maintain a healthy Downtown business district. There are three levels of SDMA membership from which to choose:

- **Full SDMA Membership:** Open to any merchant, business and/or commercial property owner in the Downtown Saline district. Membership benefits include voting on all appropriate items and issues, business listing on the SDMA website, link from the SDMA website to the member website, inclusion in SDMA multi-media promotional activities, email newsletter and calendar of events.
- **Supporter of the SDMA:** Open to any person or business. This is a non-voting class for the purpose of supporting the activities of the SDMA. Membership benefits include listing on the SDMA website, a link from the SDMA website to the member website, inclusion in SDMA multi-media promotional activities, email newsletter and calendar of events.
- **Friend of the SDMA:** Open to any person or business. This is a non-voting class for the purpose of supporting the activities of the SDMA. Membership benefits include the email newsletter and calendar of events.
